All members are invited and encouraged to take part in all competitions and activities, regardless of their photographic capability or equipment.

If possible, competition prints and projected digital images (PDIs) should be submitted by or soon after the date indicated in the programme, which is usually the club meeting held fourteen days before the competition date. Late entries may not always be accepted.

The maximum image size for PDI entries is 1920 pixels width X 1080 pixels height.

For more information about the competitions, numbers of prints and PDIs allowed, size of prints, how to mark your entries, etc. please ask for a copy of the club competition rules.

Trophies are awarded at the Presentation Dinner in July.

Entry for all meetings is free to members and £2 for non-members.

*Please note change of format from print to PDI.

Meetings held on Mondays unless otherwise stated.
